

Dear Mr. Shepard,

I am writing to you for assistance in the resolution of an ethical dispute. I hold that my requests for open communication with a parent during a change of teachers was ignored, and my requests for clarification and the resolution of any misunderstandings was ignored.

Under "Commitment to Colleagues":

The teacher shall participate in the student's change of teachers with as much communication as possible between parties, while being sensitive to the privacy rights of the student and families.

Please see the attached PDF "Ethical Dispute - Miller-Vetrinskaya.pdf".

I am grateful for your time and consideration.
